

A collection of various stringed instruments is arranged on a light-colored wooden surface. From left to right, there is a Luna ukulele, a banjo, a ukulele with a black strap, a ukulele with a white body and black neck, a ukulele with a black body and red strap, and a guitar-like instrument with a dark body and black neck. The instruments are laid out in a row, with some overlapping. The text "Ukulele Lesson Six" is overlaid in the center in a white, sans-serif font.

# Ukulele Lesson Six

Play each string,  
one at a time.  
Listen to the  
sound. **Are your  
strings in tune?**  
Check with your  
teacher or a tuner  
if you think the  
tuning is wrong.  
**Check before you  
try to change the  
tuning.**

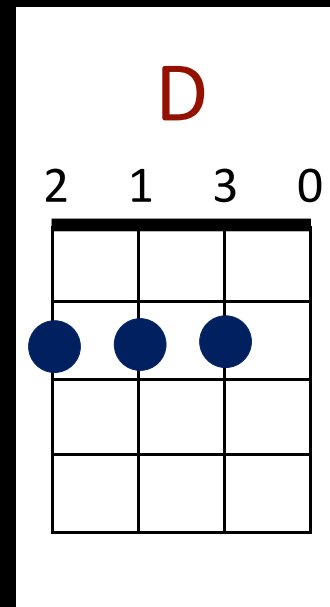

STOP

# D Chord

*When we number strings, "one" is the string closest to your lap.*

First finger, third string, second fret.  
Second finger, fourth string, second fret.  
Third finger, second string, second fret.  
Take your time to get the fingers right.
